PATENT COOPERATION TREATY

1. With regard to the language, this opinion has been established on the basis of:
- the international application in the language in which it was filed
- a translation of the international application into \_\_\_\_\_, which is the language of a translation furnished for the purposes of international search (Rules 12.3(a) and 23.1(b)).
2. With regard to any nucleotide and/or amino acid sequence disclosed in the international application and necessary to the claimed invention, this opinion has been established on the basis of:
- a sequence listing
- table(s) related to the sequence listing
- b. format of material
- c. time of filing/furnishing
- contained in the international application as filed.
- filed together with the international application in electronic form.
- furnished subsequently to this Authority for the purposes of search.
3. In addition, in the case that more than one version or copy of a sequence listing and/or table(s) relating thereto has been filed or furnished, the required statements that the information in the subsequent or additional copies is identical to that in the application as filed or does not go beyond the application as filed, as appropriate, were furnished.
4. Additional comments:

Box No. I Basis of this opinion	
INTERNATIONAL SEARCHING AUTHORITY PCT/IL/05/00136	WRITTEN OPINION OF THE International application No.

1. In response to the invitation (Form PCT/ISA/206) to pay additional fees the applicant has, within the applicable time limit:
- paid additional fees
- paid additional fees under protest and, where applicable, the protest fee
- paid additional fees under protest but the applicable protest fee was not paid
- not paid additional fees
- pay additional fees.
2. This Authority found that the requirement of unity of invention is not complied with and chose not to invite the applicant to pay additional fees.
- This Authority considers that the requirement of unity of invention in accordance with Rule 13.1, 13.2 and 13.3 is not complied with for the following reasons:
- See the lack of unity section of the International Search Report (Form PCT/ISA/210)
3. This Authority considers that the requirement of unity of invention is not complied with and chose not to invite the applicant to pay additional fees.
- compiled with
